

## 2017 EP Gives Fact Sheet

### EP Gives

EP Gives is the Eden Prairie Community Foundation's largest annual fundraiser of the year, celebrating 36 years of local giving. The Foundation is proud of its tradition of connecting people who care with causes that matter and EP Gives is a shining example.

### The Mission

EP Gives is an annual event that brings together residents, commerce, and service organizations where we "Gather, Grant and Give". Monies raised help build the Foundation's endowment and benefit the organizations that help make Eden Prairie a special to live and work. Strengthening the bonds that connect us and lifting the community at large is a mission we can all support with our time, talent, and resources. Your contributions make a significant, positive impact on the quality of life in our "Best Small City in America."
